Dear Imperia Customer,

As we venture in a new era of banking dominated by technological advances, we stand committed to deliver excellent services via our state-of-the-art technology platform across our Mobile Banking and NetBanking interface.

Please be certain that we value the safety of your account above everything else. That is why we take every possible measure to ensure that your sensitive details always remain protected. Nevertheless, you should also take precautions to ensure your account is never compromised.

- ✓ Always refrain from responding to emails asking you for personal and financial information even if the email appears to be from a trusted source.
- ✓ Change your passwords frequently and ensure they are difficult to guess.
- ✓ Preferably transact on sites that are Verified-by-Visa or MasterCard Secure Code compliant.

At all times, carry out your ATM transactions in private and press the 'cancel' key when you complete the transaction. Do not use an ATM if you see any unusual device attached to it and in case you lose your Card, report it immediately.

When you access your bank account from your phone, log out as soon as you have completed your transactions. Password protect your mobile device to prevent unauthorized access and avoid using unsecured or shared networks.

Wish you a safe and enjoyable banking experience.

Dear Imperia Customer,

It's that time of the year again! With the tax filing deadline round the corner, you will find the "Download Historical Statement" option within NetBanking very useful to access your bank statement for the last financial year. You can also view and download your tax credits through the "View Tax Credit Statements" option on the left hand menu on the "Accounts" page.

Similarly, online payment of a host of taxes can be made through NetBanking. Simply visit [www.hdfcbank.com](http://www.hdfcbank.com), select the "Making Payments" tab, choose "Tax Payment" from the drop-down and select the appropriate tax option.

To login to NetBanking, you require your Customer Id (printed on the first page of your cheque book) and the NetBanking Password (IPIN). In case you have forgotten the IPIN, you can regenerate it in 3 easy steps on our website.

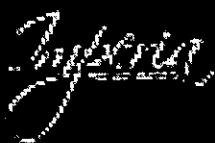

We hope our Netbanking service makes the filing of your tax returns a little easier.

Dear Imperia Customer,

It gives me great pleasure to share that according to Bloomberg, HDFC Bank is one of only two Indian banks to be ranked among the world's top 50 banks in terms of market capitalization. We also topped the Businessworld-PwC India Best Banks Survey 2014 in the Best Large Bank and the Fastest Growing Large Bank categories.

These accolades are a reflection of your continued support and confidence in us.

As we approach the end of this financial year, you may be looking at tax saving investments. It's prudent to not only save tax and create wealth, but plan for the future as well. We can help you in all these aspects.

Investments in Life Insurance offer the triple benefits of protection, wealth creation and tax savings. You can also invest in Equity Linked Saving Schemes (ELSS) or 5 Year Tax Saving Fixed Deposits.

As you are aware, hospitalization and medical expenses can result in a serious dent in your savings and also a loss of income. A Health Insurance cover safeguards your savings and provides optimum coverage for various medical treatments along with tax saving benefits.

We would also like to introduce the e-Will facility from HDFC Securities Ltd. which is an affordable, reliable and online will writing service. You can write a legal will in about 30 minutes without any assistance. It's that easy.

To know more about these and other products, kindly contact your Imperia Client Relationship Manager.

Warm regards,
